Project?

Need money for  
your classroom?  
How about raising  
worms.   
Their castings  
are valuable.  
The worms could  
be sold.

So what pet can be left  
alone for two weeks and thrives  
on coffee? Ours live under  
the sink in the kitchen.  
They are awesome recyclers  
and their castings help  
plants grow.
